

League Preferences for Members only

Please complete this form and return to Brian Hyland as soon as possible and not later than at the AGM. The information will be a great help in determining whether we try to alter our entries for the various District leagues and also enable selectors to start on the team building process early in the new year. All teams play on a weekly basis and so operate with a squad large enough to cope with members varying availability from 1st May through to the end of August. Squad sizes are recommended in the club's Management Plan and determined by the selectors. The selectors try very hard to accommodate all members in the leagues/teams of their choice but this is not always possible. Providing the information below will help.

Established Leagues		Format	Played on this day	Usual start time	Our teams	Want to play in this team; enter Yes or No	Which team is appropriate (A B or C)?
Brentwood & District	Mens	4 Triples	Monday	6.00pm	One team		N/A
Central Mid Week	Mixed	2 Rinks	Tuesday	6:15pm	A and B		
Chelmsford & District	Mens	3 Rinks	Wednesday	6:30pm	A & B		
Basildon & District	Mixed	3 Triples,	Thursday or Friday	6.00pm	A, B and C		

From the above, you will see that we operate 8 league teams (mens and mixed). There are also ladies league teams but these are dealt with separately by the ladies section and their teams are not selected by the clubs appointed selectors under the club Rules.

In 2018, at least three of our teams gained promotion. Basildon A, to the 1st division, Central Mid-week to the 2nd division, Brentwood mens to the 1st division. Chelmsford Mens A finished 3rd in division 2 and promotion to the 1st division will depend upon the December Chelmsford AGM decisions on how the league is re-formatted to 4 divisions for the 2019 season.

Our B and C teams in the various leagues cater for a very wide range of abilities, therefore we encourage all members to participate in evening league play.
